

Institutes of Quality[®] – Cuidado de salud emocional y psicológica de calidad simplificado

Como miembro, tiene acceso a centros que se especializan en tratar trastornos alimentarios, salud mental y consumo de sustancias.

A estos centros los llamamos IOQ (Institutes of Quality[®]). Reciben esta designación por ofrecer cuidado de excelente calidad y mostrar un compromiso por mejorar continuamente. Así, usted recibe cuidado adecuado y de alta calidad.

Para convertirse en IOQ, estos centros deben reunir criterios estrictos. Por ejemplo:

- Brindar acceso diario al cuidado médico.
- Involucrar a la familia y a los allegados en el tratamiento.
- Evaluar el progreso del tratamiento y sus resultados.
- Tener acreditaciones vigentes de organizaciones reconocidas.

Su plan puede requerir autorización previa

Es posible que precise autorización (aprobación) previa para estos servicios. Es decir, usted o su médico deben recibir nuestro permiso por anticipado. Consulte los documentos del plan.

No todos los servicios de los Institutes of Quality están cubiertos por todos los planes de salud. Inicie sesión o regístrese ahora mismo en https://www.aetna.com/dsepublic/#/contentPage?page=providerSearchLanding&site_id=docfind para averiguar si un centro forma parte de la red de proveedores de su plan.

Es posible que en algunos Institutes of Quality no haya médicos que tengan contrato con Aetna. En ese caso, usted deberá pagar un cargo adicional. Llame al número que figura en su tarjeta de identificación para obtener más información.
