Know where to go for eligibility, benefits and claims information

We want to help you quickly and easily get eligibility and benefits information or send claims for the different health insurance plans we offer.

Use this chart to learn more about each plan

You can see plans and associated payer IDs to look up eligibility and benefits information electronically. Where you can't inquire on eligibility and benefits electronically, simply click on the plan's associated website to learn how to get eligibility and benefits information for your patients in that plan.
