

**REGULATORY AMENDMENT TO
AETNA PROVIDER AGREEMENTS**

THIS REGULATORY AMENDMENT (“Amendment”) applies to provider agreements made and entered into by and between Aetna Health Inc., a Connecticut corporation, on behalf of itself and its Affiliates (hereinafter “Company”) and their contracted Independent Practice Associations (IPA), Physician Hospital Organizations (PHO), facilities, hospitals providers, physician-hospital organizations, physicians, physician groups, and provider groups, as applicable (individually and collectively referred to hereinafter as “Provider”), and is effective as of January 1, 2017. The provisions of this Regulatory Amendment supersede any language addressing the same issues in the existing provider agreements, or supplies language where the agreements are silent on the issues addressed herein.

WHEREAS, Company and Provider have entered into a provider agreement (the “Agreement”) governing the provision of services by Provider to individuals enrolled in plans issued or administered by Company (“Members”); and

WHEREAS, such Agreement provides for the amendment of such Agreement by Company when such amendment is required by applicable law or regulation; and

WHEREAS, the Connecticut Department of Insurance has promulgated certain provisions governing provider contracts which must be incorporated in agreements between Company and providers;

NOW, THEREFORE, in consideration of the undertakings of the parties to each other as stated herein and in consideration of the obligations of each party under the Agreement, the Agreement shall be amended to incorporate the following:

1. The Upon Insolvency or Cessation of Operation provision in the Agreement supersedes any oral or written contrary agreement or waiver now existing or hereafter entered into between Provider and Members or persons acting on their behalf.

Capitalized terms not otherwise defined herein shall have the meaning given such terms in the Agreement. All other terms and provisions of the Agreement not amended hereby shall remain in full force and effect, without modification. In the event of any inconsistency between the terms of this Amendment and the Agreement, the terms of this Amendment shall govern and control.
