Your doctor’s medical group is no longer in our network

Beginning <<Effective_Date>>, your primary care physician (PCP) is no longer a part of Aetna’s network. This is because your PCP contracts with us through << Current_PMG >>. Aetna Health of California Inc. no longer contracts with this group as of << Effective_Date>>.

You can continue to see your current PCP until << Effective_Date>>.

What this change means for you

We’ve chosen a new PCP for you. Contact your new PCP for care beginning <<Effective_Date>>. Your new PCP is:

<< Assign_Mbrs_To>>
<< Address1>>
<< CityStateZip>>
<< Phone1>>

This PCP is part of << To_IPA>>. This group participates in the Aetna network. Please contact this group for more information.

<<To_IPA >>
<< To_IPA_Amin_Address>>

Soon you’ll get a new Aetna member ID card with the new PCP name on it. Please throw away your old card. Begin using your new card.

Because of this change, you may also need to change your current specialist and/or hospital facility. You’ll need to get care from specialists and hospitals who are affiliated with your new provider group. The hospital(s) affiliated with <<To_IPA >> are <<To_IPA_Hosp_Affils>>. Please ask your new PCP about which specialist(s) you can see.

If you’re a point-of-service plan member, you may choose to continue seeing your current PCP. If you do this, you’ll pay more out-of-pocket. This is because your current PCP is no longer part of the Aetna network.

Continuing your care

You may qualify for what we call “transition of care coverage.” This means you may be able to stay with your present PCP if you’ve already started treatment.

In some cases, you may be able to keep going to your current provider to complete a treatment or to have treatment that was already scheduled. This is called *continuity of care*. Care will continue during a transitional period that will vary based on your condition. You or your provider should call us for approval to continue any care.

You can find this information in your Evidence of Coverage (EOC). Refer to the section entitled, *Who provides the care - Keeping a provider you go to now (continuity of care)* for details.

You may view, download or print our Transition of Care policy, which tells you the specific conditions for which we provide continuity of care. You will find it in the following link under California HMO Transition of Care Coverage:

<https://www.aetna.com/individuals-families/member-rights-resources/rights/state-specific-information.html>

You or your doctor must complete a Transition Coverage Request form and send it to us. To get the form and your questions answered about continuing care, you may call Customer Services at (800)-445-5299.

The form must be submitted within 90 days from the date your PCP’s contract ends and before you receive services.

We can help
