Vision plans made for you

Vision insurance can help you keep up with your overall health. Routine eye exams can spot vision problems like glaucoma. They can also detect signs of health conditions like high blood pressure and diabetes — even before symptoms appear.

Choice and convenience

Our network includes both neighborhood eye doctors and your favorite retail chains, which offer weekend and evening hours.

And it's up to you. You can get your exam at one provider and buy eyewear at another. You'll also get:

- ✓ **Convenient appointment options, including walk-in, nights and weekends**
- ✓ **Live support available seven days a week** (our Member Services hours align with our retailer hours)
- ✓ **Online appointment scheduling**

Freedom to use any provider

You can see any provider you want — in or out of the Aetna® network.* But you'll pay less and get more discounts and perks when you stay in the network.

- **20% off** nonprescription sunglasses
